option:  
column for mounting wall mixers  
oak rift-cut veneer  
natural, wenge or white-leaded shades

**Bathtubs installation supplies**

A tile flange will be supplied to comply with the requested position. Installed at the factory to prevent water leakage, this must be placed directly on the partition framing prior to the installation of drywall.

**Plumbing installation restriction**

BC 0401, freestanding bathtub requires a vertical plumbing connection rising from the floor. A horizontal connection is not an option.
